

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 16, 1995

SUBJECT: **SB 1560 - HB 1357**

This bill, if enacted, will require a chief administrative officer of a local jail to produce a written document by July 1, 1995 explaining the method of calculating jail time by hour, day and month. The bill also provides that the first 48 hours of a sentence served on non-consecutive days would be served hour-for-hour.

The fiscal impact from enactment of this bill is estimated to be an increase in first year local government* expenditures for the requirement of hour-for-hour incarceration and from publishing sentencing policies. A reasonable estimate of the increase cannot be determined but is estimated not to be significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
